Subject: Warm Springs ... SDWA 1431 EPA Order - HUD/BIA Project Implementation Status Meeting #1

All:

Please find attached status meeting #1 agenda, and a project list for the projects to be implemented under the EPA Order, including those to be funded by HUD and BIA grants.

This meeting will initiate a program to utilize the funds in accordance with the grants and address issues identified in the EPA June 2019 Order.

The initial Stakeholders list indicates your attendance requirement to this meeting, however, any status meeting, as a stakeholder, you are welcome to attend.

We apologize for the short notice associated with this meeting, but as you are aware time is of the essence in moving these projects forward. Future meetings will be held on a weekly basis until the rectification projects are complete. The day and time will be adjudicated at this 1st meeting.

We look forward to your participation and support.

Kind regards
bb.

P.S. Alyssa: please formally set the meeting and identify the appropriate Administration Build Conference room.
